

CASE STUDY

Alim Shaikh
Principal - Barnet Hill Academy, London

AT A GLANCE

CHALLENGES

- Effectively linking all activities together
- Collaborating within the SLT
- Compliance tracking

BENEFITS

- Linking together all aspects performance management
- Continuous improvement
- Easy to use

"...we have been delighted at the effectiveness and ease of use of the tool..."

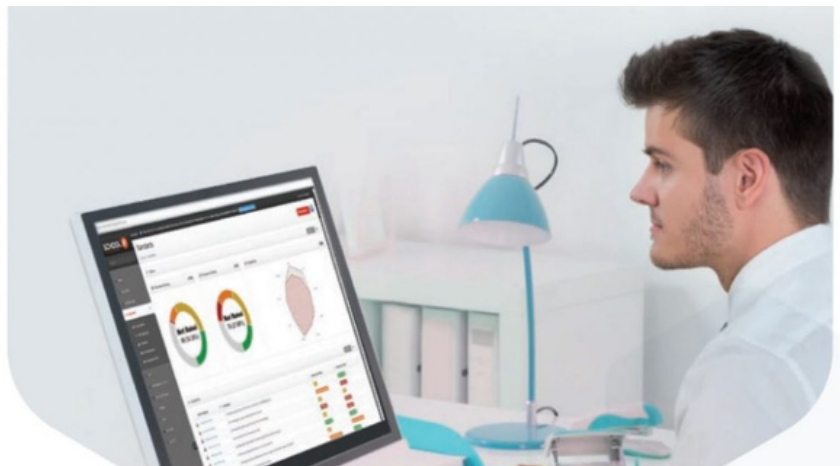

ALIM SHAIKH

Principal
Barnet Hill Academy, London

OVERVIEW

Barnet Hill Academy is a 3-11 independent day-school with an Islamic faith designation, located in the London Borough of Barnet. We warmly welcome students of all backgrounds from Barnet, North-West London and beyond. Both boys and girls are welcome from the age of 3 through to 11. The school serves the local community and is located in a grand Victorian school building originally built in the early 1900's.

IMPACT

Alim stated "Barnet Hill Academy introduced SchooliP over a year ago and we have been delighted at the effectiveness and ease of use of the tool, it has helped the SLT incredibly in terms of our collaboration and the new tools that SchooliP have introduced are a genuine asset as part of our compliance tracking"
