

## CASE STUDY

Jenny Condron, Principal - British International School and Montessori Education, Sierra Leone

### AT A GLANCE

#### CHALLENGES

- Evaluating the school
- Capturing evidence
- Strategic focus
- Saving time

#### BENEFITS

- Single central solution
- Easy access for all
- Robust evidence storage
- Simple to use

"Teachers and the Senior Leadership Team have been able to easily add evidence of standards and professional development, ensuring it links to areas of school development"

#### JENNY CONDRON

British International School and Montessori Education, Sierra Leone

### OVERVIEW

The British International School and Montessori Education caters for a diverse community of pupils spanning six continents with teaching staff sourced both locally and internationally to create a harmony of culturally blended experience and a learning environment that fosters global citizenship.

### IMPACT

Jenny stated "Teachers are able to identify areas that they need to develop thereby giving them confidence which helps to improve their wellbeing."
